

Community Input Meetings

Local Control and Accountability Plan (LCAP)

Sausalito-Marin City School District (SMCSD)

Bayside/MLK Academy is now planning for the programs and services to be offered for the next school year, and beyond. It's called LCAP (Local Control and Accountability Plan), and it means that the District and School leadership want to hear what's important to you!

Community Input Meetings

- Strengthen our community-school district partnership through dialogue and idea sharing
- Think about ways to improve our educational system and student services
- Share ideas to improve our district to support the students, families, and community

Your ideas and feedback are important to support and encourage the students of SMCSD.

Help us establish school and district goals for the coming year!

Please join us at any or all scheduled meetings:
